

6.0 LIST OF PREPARERS

6.0 LIST OF PREPARERS

Shabbir Ahmed, Hydrogeologist, SAIC

Water Resources Support (Groundwater/Surface Water)

Ph.D., Civil Engineering, 1992

M.S., Water Resources Engineering, 1986

B.S., Civil Engineering, 1981

Years of Experience: 14

Robert C. Arthur, Director, Landrum & Brown

Airport Planning–Aviation Forecast

M.S., Business Administration, 1968

B.A., Economics, 1970

Years of Experience: 27

Kate L. Bartz, Environmental Specialist, SAIC

Project Coordinator

Master of Landscape Architecture and Environmental Planning, 1994

B.S., Environmental Studies, 1987

Years of Experience: 13

Gary E. Bertolin, Senior Air Quality Specialist, SAIC

Air Quality Principal Investigator

Ph.D., Meteorology and Air Quality, 1978

M.S., Atmospheric Science, 1970

B.S., Chemistry, 1968

Years of Experience: 22

Robin M. Brandin, AICP, Vice President, SAIC

Project Manager

M.C.R.P., City and Regional Planning, 1974

B.A., History of Art, 1971

Years of Experience: 25

Charles J. Burt, Senior Biologist, SAIC

Threatened and Endangered Species

M.S., Forest Zoology, 1973

B.S., Biology, 1968

Years of Experience: 25

Nancy L. Cabber, Technical Illustrator, SAIC

Graphics and Production Coordination

Years of Experience: 14

C. Warren Campbell, Senior Engineer, Vista Technologies Inc.

Water Resources Support (Surface Water Investigation)

Ph.D., Civil Engineering, 1984

M.S., Mechanical Engineering, 1976

B.S., Electrical Engineering, 1972

Years of Experience: 20

PREPARERS

Scott D. Carpenter, Senior Consultant, Landrum & Brown
Aircraft Noise
B.S., Electronics Engineering Technology, 1986
Years of Experience: 13

Major Michael T. Chipley, Senior Engineer, USAF
Secretariat of the Air Force Executive Issues Team
Ph.D., Civil Engineering, 1996
M.S., Civil Engineering, 1993
B.S., Civil Engineering, 1985
Years of Experience: 15

Christopher Clayton, Senior Analyst, SAIC
Socioeconomics Principal Investigator
Ph.D., Geography, 1972
M.A., Geography, 1968
B.A., Geography, 1966
Years of Experience: 26

Ellen R. Dietrich, Natural Resources Specialist, SAIC
Earth Resources Principal Investigator
B.A., Anthropology (Archaeology), 1971
Years of Experience: 23

Andrew L. Dixon, Systems Engineer/Analyst, SAIC
Transportation Data Analyst
M.S., Aerospace Engineering, 1992
B.S., Aerospace Engineering, 1991
Years of Experience: 7

Claudia Druss, RPA, Senior Archaeologist, SAIC
Cultural Resources
M.A., Anthropology (Archaeology), 1980
B.A., Fine Arts, 1977
Years of Experience: 19

Lila Emmer, Senior Technical Editor, SAIC
M.M.A., Marine Studies, 1988
B.A., Human Studies, 1977
Years of Experience: 10

Moses Eshkenazi, Air Traffic Operations Supervisor, Miami International Airport, FAA
Air Traffic and Airspace Analysis
Years of Experience: 18

Elizabeth Farrell Hale, Senior Public Affairs Specialist, SAIC
Public Affairs/Involvement
B.S., Liberal Arts, 1978
Years of Experience: 18

Berta Fernandez, Director, Landrum & Brown
Airport Planning–Airspace and Flight Tracks
M.S., Quantitative Analysis, 1988
B.S., Business Administration, 1985
Years of Experience: 13

Michele A. Fikel, Environmental Analyst, SAIC
Land Use and Aesthetics Principal Investigator
B.A., Geography, 1985
Years of Experience: 11

Gregg G. Fleming, Manager, Acoustics Facility, U.S. Department of Transportation, John A. Volpe
National Transportation Systems Center
Principal Investigator, Noise Measurement and Modeling
B.S., Electrical Engineering, 1987
Years of Experience: 12

Sheri Freemuth, Senior Project Manager, SAIC
Land Use
M.C.P., City Planning, 1985
B.A., Political Science, 1982
Years of Experience: 13

Susan M. Goodan, Environmental Planner, SAIC
Alternatives Development
M. Architecture, 1988
B.A., Ethics/Archaeology, 1974
Years of Experience: 11

Heather Gordon, GIS Technician, SAIC
GIS and Mapping
B.A., Environmental Studies and Planning/Liberal Studies, 1991
Years of Experience: 3

Lorraine S. Gross, Senior Archaeologist, SAIC
Cultural Resources
M.A., Anthropology, 1986
B.A., Anthropology, 1975
Years of Experience: 19

Susan M. Hale, Public Involvement Specialist, SAIC
Public Affairs/Involvement
Certificate, Environmental and Occupational Health, 1969
Years of Experience: 31

Debra Hart, Senior Marine Biologist, SAIC
M.S., Marine Science, 1990
B.S., Biology, 1985
Years of Experience: 14

PREPARERS

Adam M. Hasen, Assistant Vice President/Air Quality Program Manager, SAIC
Air Quality Senior Technical Advisor
M.B.A., Management, 1991
M.S., Chemical Engineering, 1982
B.S., Chemical Engineering, 1980
Years of Experience: 17

Douglas J. Heady, Attorney, USAF
Air Force General Counsel's Office
J.D., Law, 1976
B.A., Philosophy, 1973
Years of Experience: 22

Robert J. Henke, Senior Ecologist, SAIC
Biological Resources
M.S., Wildlife Biology, 1987
B.S., Fisheries and Wildlife Management, 1982
B.S., Forestry, 1982
Years of Experience: 17

James B. Hollars, Hydrogeologist, SAIC
Water Resources Support (Groundwater)
M.S., Geology, 1992
B.S., Geology, 1988
Years of Experience: 9

Irene M. Johnson, Economist, SAIC
Socioeconomics
M.A., Economics, 1991
B.S., Economics, 1989
Years of Experience: 10

Rita E. Johnson, GIS Specialist, SAIC
GIS and Mapping
B.A., Geography, 1993
Years of Experience: 8

Robert A. Kelly, Senior Scientist, SAIC
Deputy Project Manager/Natural Resources Manager
Ph.D., Zoology/Ecology, 1971
B.S., Biology, 1966
Years of Experience: 27

Richard A. Kentro, Environmental Planner, SAIC
Utilities Principal Investigator
M.A., Environmental Planning, 1977
B.A., Environmental Studies, 1974
Years of Experience: 23

Alauddin Khan, Senior Environmental Scientist, SAIC

Water Resources Principal Investigator
Ph.D., Chemical Engineering, 1989
M.S., Chemical Engineering, 1985
B.S., Chemical Engineering, 1978
Years of Experience: 18

Colonel Karen Kohlhaas, Air Force Secretariat Program Manager, USAF

M.S., Environmental Engineering, 1985
B.S., Civil Engineering, 1979
Years of Experience: 20

Barbara A. Ledbetter, Word Processing Specialist, SAIC

Word Processing and Production Coordination
Years of Experience: 26

Timothy B. Luttrell, Transportation Engineer, SAIC

Transportation
M.S., Civil Engineering, 1999
B.S., Civil Engineering, 1998
Years of Experience: 3

Ruth J. Maddigan, Analyst, SAIC

Socioeconomics
D.B.A., Business Economics and Quantitative Business Analysis, 1979
M.S.B.A., Management Science, 1976
B.S., Mathematics, 1976
A.B., Economics, 1973
Years of Experience: 18

Jeffrey P. McCann, Environmental Specialist, SAIC

Earth Resources
Bachelor of Geological Sciences, 1980
Years of Experience: 19

Andrew Mendoza, Environmental Coordinator, AFBCA/DD, USAF

Environmental Engineering
B.S., Architectural Studies, 1982
Years of Experience: 17

Robert B. Naeser, Water Resource Specialist, SAIC

Biological Resources
M.E.S., Water Resources, 1997
B.A., Economics, 1992
Years of Experience: 5

PREPARERS

Lynne Pickard, Manager, Community and Environmental Needs Division, FAA
Joint Lead Agency Project Manager
M.A., International Relations
B.A., Environmental Studies
B.A., Political Science
Years of Experience: 23

Jake A. Plante, Operations Research Analyst, Community and Environmental Needs Div, FAA
Noise Measurements, Modeling, and Analysis
Ed.D., Education, 1977
Years of Experience: 22

Jeff M. Reece, Senior Chemical Engineer, SAIC
Socioeconomics
M.S., Civil Engineering, 1974
S.B., Chemical Engineering, 1968
Years of Experience: 25

Christopher J. Roof, Electrical Engineer, Acoustics Facility, U.S. Department of Transportation, John A. Volpe National Transportation Systems Center
Co-Principal Investigator, Noise Measurement
B.S., Electrical Engineering and Music
Years of Experience: 5

Jennifer Salerno, Marine Biologist, SAIC
M.S., Environmental Studies, 1998
B.S., Marine Biology, 1994
Years of Experience: 5

David A. Senzig, Mechanical Engineer, Acoustics Facility, U.S. Department of Transportation, John A. Volpe National Transportation Systems Center
Co-Principal Investigator, Noise Modeling
M.S., Mechanical Engineering
Years of Experience: 13

Lisbeth A. Springer, AICP, Senior Planner, SAIC
Environmental Justice
M.C.R.P., Planning, 1980
B.A., Sociology, 1975
Years of Experience: 18

Edward D. Studholme, Program Manager, SAIC
Noise and Land Development Market Analysis
Master of Urban and Regional Planning, 1972
B.A., Sociology, 1967
Years of Experience: 27

Christa V. Stumpf, Environmental Analyst, SAIC

Land Use
M.S., Forest Resources and Land Use Planning, 1996
B.S., Resource Recreation and Tourism, 1995
Years of Experience: 4

Ralph C. Thompson II, Assistant Manager, Community and Environmental Needs Div, FAA

Assistant Project Manager
B.S.C.E., 1963
Years of Experience: 30

Robert A. Thompson, Environmental/Airspace Specialist, SAIC

Airspace
M.A., Human Resources Management, 1979
B.A., Math, 1968
Years of Experience: 31

Jeffrey W. Trombly, Senior Transportation Analyst, SAIC

Transportation
Ph.D., Civil Engineering
M.S., Planning
B.A., Geography
Years of Experience: 20

Robert Van Tassel, Senior Economist, SAIC

Quality Assurance
M.A., Economics, 1972
B.A., Economics, 1970
Years of Experience: 27

John Van Woensel, Director, Landrum & Brown

Airport Planning–Facilities Requirements
M.S., Contract and Acquisition Management, 1985
B.S., Aviation Management, 1984
Years of Experience: 12

Michon Washington, Environmental Specialist, FAA

Commercial Spaceport Alternative
M.S. Environmental Management and Technology
B.S., Environmental Science
Years of Experience: 10

John F. Whelpley, P.E., Environmental Engineer, SAIC

Hazardous Materials and Waste Principal Investigator
M.S., Environmental Engineering, 1997
B.S., Mechanical Engineering, 1990
Years of Experience: 9

PREPARERS

Max A. Wolfe, Vice President, Landrum & Brown
Quality Control
M.S., Urban Geography, 1965
Years of Experience: 34

Jon M. Woodward, Director, Landrum & Brown
Aircraft Noise Principal Investigator
M.A., Geography, 1970
B.A., 1968
Years of Experience: 29

William A. Wuest, Senior Environmental Scientist, SAIC
Airspace and Safety Principal Investigator
M.A., Public Administration, 1974
B.S., Political Science, 1963
Years of Experience: 36
