MEMORANDUM FOR THE ESHOC RECORD

FROM: 482 FW/CC

SUBJECT: Homestead ARB Environmental Policy Statement

1. Homestead Air Reserve Base (HARB) is dedicated to continued excellence, leadership and stewardship in the protection of environment synchronized with mission requirements. In doing so, we will comply with all environmental laws and regulations applicable to the conduct of our mission and strive for continual improvement in our environmental performance. This commitment goes beyond compliance with law and encompasses the integration of sound environmental practices into our daily decisions and activities. In support of our environmental policy, we will continue to:

- a. Maintain an effective environmental management system, promote and investigate new safe technologies and operating practices, and remain ready to respond to emergencies in order to improve our environmental performance to minimize adverse impacts to installation workers and the environment.
- b. Set environmental goals, measure progress and take corrective action as necessary, and communicate results and other environmental information regarding the installation's operations and its environmental accomplishments to workers, the community, suppliers, regulators and the public.
- c. Implement an effective pollution prevention program, ensure the responsible use of energy, minimize the generation of waste, recycle materials otherwise destined to become waste and dispose of any remaining wastes in an environmentally responsible manner.

2. Compliance with this Environmental Policy is the responsibility of every member of HARB in accordance with his or her roles and responsibilities in various organizations.
